## About Us.

COSPOWERS is a leading manufacturer of advanced lithium-ion batteries and energy storage solutions in India, passionately committed to accelerating the transition to sustainable energy. As a strategic partner of the Chinese COSPOWERS Group, with an impressive 14 GWh plant capacity across multiple locations, we proudly promote cutting-edge products for Telecom, Home/Office UPS, Industrial ESS, and large-scale BESS solutions in MWh capacities.

Aligned with the Government of India's "Make in India" initiative, we design and produce world-class energy solutions for electric mobility, telecommunications, solar energy, and Battery Energy Storage Systems (BESS). Our state-of-the-art manufacturing facility in Hyderabad, supported by a robust PAN-India service network, ensures the delivery of high-quality, reliable, and efficient solutions, significantly reducing import dependency.

Beyond manufacturing, we excel in providing both in-warranty and beyond-warranty repair services, effectively extending battery life beyond five years while minimizing spare part usage and repair costs. Driven by innovation and an unwavering commitment to sustainability, our expert management team, skilled workforce, and dedicated R&D division develop scalable solutions tailored to meet the dynamic needs of the industry.

Trusted by renowned industry leaders such as JIO, RGPL, Indus Towers, Airtel, L&T, TATA, and many more, we are advancing into cutting-edge BESS and inverter battery solutions. We remain steadfast in our dedication to driving economic growth, fostering skill development, and creating employment opportunities across India, contributing to a brighter and more self-reliant future for the nation.

At COSPOWERS, our mission is clear- to power progress, protect the planet, and achieve global recognition by manufacturing world-class energy solutions in India for the world.

Join us in shaping a greener, smarter, and more self-reliant future for India and the world.

**Jai Hind, Jai Bharat.**

# Mission, Vision & Our Values.

## MISSION

- Accelerate India's transition to sustainable energy by pioneering cutting-edge lithium-ion storage technologies and innovative solutions.
- Provide tailored energy solutions across electric mobility, telecommunications, BESS, and renewable energy applications, empowering industries and communities.
- Harness advanced manufacturing, robust quality control, and a nationwide service network to deliver reliable, efficient, and eco-friendly energy systems.
- Drive innovation, inclusivity, and sustainability to support India's self-reliance, foster global recognition, and build a cleaner, greener future for generations to come.

## VISION

Our vision is to deliver reliable lithium-ion battery packs and comprehensive energy solutions tailored to India's diverse operating conditions. We strive to achieve this through continuous innovation, uncompromising quality, and superior customer service, while actively engaging all stakeholders to drive sustainable growth and long-term success.

## OUR VALUES

- **Sustainability:** Championing green energy solutions to combat climate change, reduce environmental impact, and secure a sustainable future for generations to come.
- **Innovation:** Driving technological advancement through pioneering research, cutting-edge manufacturing, and customized solutions tailored to evolving energy needs.
- **Quality Excellence:** Upholding world-class standards with rigorous testing and uncompromising quality control to deliver reliable and efficient energy systems.
- **Customer Commitment:** Building trust through exceptional service, a robust Pan-India support network, and solutions that empower industries and communities.
- **Collaboration & Growth:** Fostering strategic partnerships and inclusive opportunities that drive mutual success and contribute to India's self-reliance and global prominence.
